Experience

Equityblue Inc

Graphic Designer
2020-Present

At Equityblue Inc I work with the marketing team to create content for our social media as well as our subscribers. I also work in Adobe XD to design the user interface for our application.

Westminster College ASW

Executive Creative Director
2020-2021

As Executive Creative Director I had the opportunity to manage the creative team and oversee all communication between the organization and the student body.

SLCC Printing Services

Wide Format / Screenprinting Technician
2019-2020

I learned the logistics of printing tangible design via various mediums such as stickers, wraps, posters, screenprinting, sublimation, etc. I was responsible for many things such as installation, color matching, production, etc.

Westminster College ASW

Assistant Creative Designer
2019-2019

I developed a lot of communication skills working with clients to create marketing deliverables for various organizations, events, and announcements.
